Part I

Overview of Funding Guidelines for Application

1. **The Maine Civil Legal Services Fund.** The Maine Civil Legal Services Fund (Fund) was established by the Legislature (4 M.R.S. §18-A) to provide funding to support the provision of free civil legal services to low-income people or the needy elderly in Maine. The Maine Civil Legal Services Fund Commission (Commission) is composed of three Commissioners appointed for three-year terms by the Chief Justice of the Maine Supreme Judicial Court. The Maine Supreme Judicial Court promulgated rules on July 1, 2007 (last revised July 30, 2008) to guide the Commission in its allocation of funding to legal service providers. These rules can be found in *Maine Court Rules* "Rules for the Maine Civil Legal Services Fund Commission" or online at: http://www.courts.state.me.us/rules_adminorders/rules/CivilLegalServRules7-08.pdf

2. **Eligible Providers.** Only the following legal service providers are eligible to receive disbursements from the Fund:

- Non-for-profit organizations whose missions include the provision of free civil legal services and which have at least one year experience in providing such service;
- Legal aid clinics of accredited law schools operating exclusively in Maine; and
- Programs whose primary mission is to coordinate *pro bono* legal services for low-income people in Maine.

Eligible providers may submit an application to receive disbursements from the Fund either separately or jointly. Two or more providers submitting a joint application will not be given preference solely on the basis of their joint application. One application is preferred. However, a separate application involving the provision of new services will be considered.

3. **Exclusions.** Disbursements from the Fund received by providers may not be used for:

- Lobbying as defined in 3 M.R.S.A. §312-A(9), unless the recipient is responding to a request by a Legislator or a member of the Executive Department; and
- Work done by for-profit entities, although under appropriate circumstances subcontracting with for-profit entities could be considered.

4. **Funding Level, Allocations and Use.** The Commission assumes that approximately the same level of funding will be available for 2014 and 2015 as was available in 2012 and 2013. Commission will make funding allocations for general operational support or for specific programs, on the basis of information provided by applicants in a written application pursuant to this Application Packet.

5. **Selection Criteria.** The Commission will use the selection criteria identified in Rule 4 of the "Rules for the Maine Civil Legal Services Fund Commission."
